

Answer Back Functionality Brought Online for Xiamen Airlines(MF)

Answer Back functionality for MF is now available in all locations nationwide
in all INFINI terminals

On March 12th, INFINI TRAVEL INFORMATION, INC. (Abbreviation: INFINI, Head Office: 4-2-6 Akasaka, Minato-ku, Tokyo, President: Fumiaki Yonesato, Capital: JPY 4 Billion), a company providing the computer-based reservation and ticketing system (CRS), announced the new entry of Xiamen Airlines(MF), and have made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by MF. This allows reliable operation for MF reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservation and ticketing operation involving MF.
