

## **Answer Back Functionality Brought Online for HELI AIR MONACO (YO)**

Answer Back functionality for YO is now available in all locations nationwide  
in all INFINI terminals

On March 31<sup>st</sup>, INFINI TRAVEL INFORMATION, INC. announced the new entry of HELI AIR MONACO (YO), and has made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by YO. This allows reliable operation for YO reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservation and ticketing operation involving YO.
