## **Answer Back Functionality Brought Online for Spanair (JK)**

Answer Back functionality for JK is now available in all locations nationwide  
in all INFINI terminals

On July 17<sup>th</sup>, INFINI TRAVEL INFORMATION, INC. announced the new entry of Spanair S.A. (JK), and has made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by JK. This allows reliable operation for JK reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservation and ticketing operation involving JK.
