

Answer Back Functionality Brought Online for Blue 1 (KF)

Answer Back functionality for KF is now available in all locations nationwide
in all INFINI terminals

On September 10th, INFINI TRAVEL INFORMATION, INC. announced the new entry of Blue 1 (KF), and has made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by KF. This allows reliable operation for KF reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservation and ticketing operation involving KF.
