

## **Answer Back Functionality Brought Online for Adria Airways(JP)**

Answer Back functionality for JP is now available in all locations nationwide  
in all INFINI terminals

On November 12<sup>th</sup>, INFINI TRAVEL INFORMATION, INC. announced the new entry of Adria Airways (JP), and has made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by JP. This allows reliable operation for JP reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservation and ticketing operation involving JP.
