Answer Back Functionality Brought Online for Sahara Airlines (S2)

Answer Back functionality for S2 is now available in all locations nationwide
in all INFINI terminals

On November 4th, INFINI TRAVEL INFORMATION, INC. (Abbreviation: INFINI, Head Office: 6-12 Kioicho, Chiyoda, Tokyo, President: Masatsugu Nishiyori, Capital: JPY 4 Billion), a company providing the computer-based reservation and ticketing system (CRS), announced the new entry of Sahara Airlines (S2), and have made available the Answer Back function.

Answer Back is a function that returns a reference of the airline after a reservation has been created; allowing travel agents to confirm that the reservation has been properly received and processed by S2. This allows reliable operation for S2 reservation from any INFINI terminal nationwide, and would improve travel agents' efficiency for reservations and ticketing operation involving S2.
